THE GOTHAM TIMES

Creativity is a phenomenon whereby something new and somehow valuable is formed. The created item may be intangible (such as an idea, a scientific theory, a musical composition, or a joke) or a physical object (such as an invention, a literary work, or a painting).

THE GOTHAM TIMES

Team Member - Institute's Website Maintenance (<http://davietjal.org>)

As a team member the focus was on maintaining the quality of the project and adding new modules and functionalities and updating the existing functionalities after it was launched. Duration of this project was from Oct 2016 to Dec 2017. The interaction between the brilliant minds of the college and us, the budding developers of future, was exceptionally beneficial and a rare opportunity
